SECOND STATUS INQUIRY

Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sirs:

Applicant, by and through its attorneys of record, respectfully request a report as to the status of the above-noted patent application. The Issue Fee was paid on November 17, 2004 and the formal drawings filed on June 15, 2004 were accepted by the Examiner. As of the date of this letter, the "Issue Notification" has not been received.

Applicant previously filed a Status Inquiry on April 12, 2005 requesting a report as to the status of the above-noted application, but no response was received and, therefore, Applicant has filed this Second Status Inquiry.

Applicant has checked the United States Patent and Trademark Office website, and it does not indicate an issue date and a patent number. Applicant requests an estimate as to when it might be expected an issue date and a patent number for this matter.

Respectfully submitted,

TREXLER, BUSHNELL, GIANGIORGI,
BLACKSTONE & MARR, LTD.
